These proto-italo-celto-germanic r1b people had settled around the alps by 2300 bce, and judging from the spread of bronze working, reached iberia by 2250 bce, britain by 2100 bce and ireland by 2000 bce. Brachycephalic heads are wide and flat, represented here by skull c (encyclopaedia britannica, public domain) though it is uncertain where this type originated, some claiming andalusia as the original habitat and others germany, the beaker folk may perhaps be identified with the alpine or armenoid branch of the japhetites, or 'indo-europeans'. Many books and articles have been written on this mysterious subject, but this booklet has a very different, yet simple approach to proving the identity of the modern lost tribes of israel. normally, to search for a "lost israelite," you would look for someone who observed the saturday sabbath, kept god's commanded holy days (leviticus 23) and food laws, but not in this case. Extracted from 'the biggest secret' - by david icke. as the flood waters receded after the venus cataclysm the survivors came down from the mountains and up from within the earth. they settled on the lowlands and plains and began to rebuild. Judah's sceptre and joseph's birthright offers a rare opportunity to peel back layer after layer of the old testament and gain a totally new understanding of the old and new testaments.

Why the wolf? well benjamin's very tribal sign was the wolf. "all authorities agree that the emblem of the tribe of benjamin was a wolf" (symbols of our celto-saxon heritage, by w.h. bennett, p.173). The rotary emblem is another classic example of a disguised luciferic pictograph, showing the hebrew talisman – an encircled hexagram, (the circle - representing illuminism) at the root of this emblem. notice how the shaft key is at the 12 o'clock, or apex/capstone position. rotary is a powerful, worldwide organization and is strongly, but covertly linked to freemasonry.
